

#Bye  
tho always little  
dudes sunsets,

H

inspired by the old method of anti-aliasing that twitter used to use  
(looks like ball point pen ink when in contact with water)

inspired by pixels & the tactility of metal type/unadjustable leading and tracking/uneven inking in letterpress  
monospaced

inspired by books and how each the combined thickness of pages informs you how far you've travelled
